**June 1, 2020**

1. 3/goal on the B-9 with time running out in the 2nd period. QB A10 takes the snap from under center and tosses a backward pass to A32 at the B-15. A32 runs toward the goal line pylon and reaches the ball toward the pylon. He is hit and knocked out of bounds at the pylon. The SJ rules TD with 0:08 remaining on the clock. Team A has one timeout remaining. Video shows that the ball in A32's possession touches the pylon, but not until just after A32's knee touches the ground inbounds.
2. Free kick from the A-35. Team A is trailing in the game by a score of 24-17 with 0:26 remaining in the 4th period. Team A attempts an onside kick and the ball is kicked directly into the ground off the tee. The ball bounces again on the A-44 and goes high into the air. B81 is in position to catch the ball at the B-49 (technically a recovery since the ball has been grounded) when just as he touches the ball A11 bats the ball forward where it goes out of bounds at the B-24. The game clock is at 0:22 at the end of the play. Video shows that it is very close as to whether B81 touched the kick or not.
